Toothpaste Recipes for your Chihuahua

1 Ingredients:

- 1 cup - Coconut Oil
- 1/2 tsp - Turmeric (natural tooth whitener)
- 1/2 tsp - Parsley (antibacterial agent)
- 1/8th tbsp - Kelp (plaque removal)

Directions:

Soften your coconut oil by placing in a mixing dish in warm water. Mix in the turmeric, kelp, and parsley. Store in fridge in between uses.

2 Ingredients:

- 6 tbsp - Baking Soda
- 1 cube - Beef Bouillon
- 1 tsp - Parsley (antibacterial agent)
- 1 tsp - Water

Directions:

Mix all the ingredients together in a bowl. Add a bit more water if necessary to make a paste. Store in an airtight container and use daily.

3 Ingredients:

- 1 cup - Coconut Oil
- 6 tbsp - Baking Soda
- 1 cube - Beef Bouillon
- 1/8th tbsp - Cinnamon

Directions:

Soften your coconut oil by placing in a mixing dish in warm water. Mix in the baking soda, beef bouillon, and cinnamon.

4 Ingredients:

- 1/4 cup - Coconut Oil
- 3 tbsp - Baking Soda
- 1 cube - Chicken Bouillon
- 1 tsp - Mint Leaves

Directions:

Mix all ingredients thoroughly in a blender. Store in an airtight container in the fridge. For extra flavor you can add 1 tsp Cinnamon.

5 Ingredients:

- 2 tbsp - Baking Soda
- 1 tsp - Parsley
- 1 cube - Pork Bouillon
- 1 tsp - Cloves
- 1 tsp - Cinnamon
- 1 drop - Tea Tree Oil
- 1 tbsp - Water
- 1/2 cup - Coconut Oil

Directions:

Mix all ingredients thoroughly in a blender. Store in an airtight container. Toothpaste can be stored at room temperature or in the fridge.
